Employment Verification for Sebastian Vasquez Grajales

This letter serves to confirm that Mr. Sebastian Vasquez Grajales, identified with Colombian ID cc. 1193463914, was employed at BlueSkyAI based in the United States, serving as a Software Development Engineer, during the period from December 2024 to March 2026.

During his employment, Sebastian has consistently demonstrated professionalism, dedication, and a commitment to excellence in their work, including the following:

- The end-to-end development of artificial intelligence solutions, focused on technological products in web and mobile environments.
- The implementation and integration of Machine Learning and Deep Learning models, incorporated into functional system workflows focused on personal coaching and digital process optimization.
- The development of robust software solutions, aligned with technical and functional requirements, in collaboration with multidisciplinary teams.

Sebastian's commitment, technical expertise, and contributions to the development of innovative technological solutions have been invaluable to our team and have significantly impacted our overall success. This certificate is issued at the request of the interested party for any purposes he may deem appropriate. Sebastian Vasquez Grajales will be an invaluable member of any team and will continue to make a positive impact to any organization.

Should you have any further questions or require additional information, please do not hesitate to contact me.

Sincerely,

Stephen MacKinnon Founder & CEO mack@blueskyai.co (973) 760-4739
